Dear Chris,

Thank you, once again, for a truly exceptional Baja motorcycle experience!

This trip marked the third time we have worked with your capable staff to create the ultimate off road motorcycling adventure. The support team did a terrific job of catering to our every need. They kept both the bikes and riders in perfect operating condition! We also appreciated their willingness to change the routing a bit to show us areas we had never seen before. Several of the more experienced riders in our group even got to taste a bit of challenging single track in the area around Mike's Sky Ranch.

As always, the bikes and equipment were impeccable. The Hondas are the ultimate desert machines and I continue to be impressed by the power delivery of the XR650R. I keep your promotional piece on my wall to remind me how much fun we have letting them run on the dry lake beds outside of San Felipe!

As you know, many of the riders in my group keep coming back year after year. It may sound a bit cliché, but each trip seems to get better and better. When we come to the end of the ride, we start looking forward to next year.

It has always been a real treat to ride with you and I look forward to our next Baja off road experience!

Warm regards,
